## **Action Sports Camps**

Action Sports Camps provide activity holidays for children aged over five and adults. We offer training in over twenty sports at ten different centres throughout the UK. All the centres are open from April until October, and some are open during the winter for weekend courses. The sports offered differ from one centre to another, so if you want to do something in particular, you should check our colour brochure.

The camps are not just limited to outdoor sports – we cover a wide range of indoor activities as well. So if the rain comes, the camps continue, although you may have to take off your football boots and pick up a squash racket instead. With the experience we have gained over the years, we put together the right mix of activities providing sport for all, not just for those who are brilliant at athletics. It is unnecessary to bring any equipment because it is all provided.

Our centres offer first-class accommodation, food and facilities – and the staff are first-class too. Qualified teachers or professionals receive training from us, and many work with us year after year. We always employ qualified staff for activities such as swimming, trampolining and gymnastics, but some of the assistants organising the children's games are students, many of whom came to the camp themselves when they were younger.

To book a place at a sports camp, complete the form and pay the deposit. The rest of the fee can be paid at any time, but we must receive it at least one month before your camp. You will receive a letter of confirmation within ten days of sending your form. Cancellations made no later than a month before the camp are refunded in full apart from a 5% administration fee. Fifty per cent of the fee is refunded if a cancellation is made no later than two weeks before the date of the camp. After that, no refunds can be given.
